

FEATHERWEIGHT 221 MAINTENANCE CLASS

This is a hands on class where you bring YOUR OWN FEATHERWEIGHT 221. You will learn how to clean, lube and oil your 221 machine, saving you \$\$\$ in servicing. You will be amazed how easy the process will be. Tension, changing lug and black belts will be discussed. History of the featherweight machines will be presented/open for comments and discussion. Fashion aids, specialty and rare attachments will be presented as well.
